

Continuing the epic big-screen adventures started in "Iron Man," "The Incredible Hulk," "Iron Man 2," "Thor," and "Captain America: The First Avenger," "Marvel's The Avengers" is the super hero team up of a lifetime. When an unexpected enemy emerges that threatens global safety and security, Nick Fury, director of the international peacekeeping agency known as S.H.I.E.L.D., finds himself in need of a team to pull the world back from the brink of disaster. If like me you've watched the trailer for The Avengers more times than you'd care to admit (14 times and counting...) you probably won't have missed any of these, but they're still some of the most interesting talking points! There's more than just the ones listed below too. How about Tony Stark clashing with Loki or the new look Hulk? Check out the list below and be sure to share your thoughts in the usual place! 5. Cap Still Uses
