

Mckenzie, who starred in HBO's Flight of the Conchords with Jemaine Clement, will be making an appearance in Peter Jackson's The Hobbit. If you blinked during 2001's Lord of the Rings: The Fellowship of the Ring you might've missed Bret's cameo. He played the role of Figwit (Frodo is great ... who is that?). You can check out the cameo in the video below, which has Bret without his trademark beard. When asked by Empire if he was shaving for The Hobbit, he said, "Oh yeah. I look like I'm 12. I look much more like a girl in The Hobbit. I look like a hot girl." "It was in Wellington so I could pretty much walk to work. It's still a small part — I did a couple of days earlier this year — but it was great to get my pointy ears back on. It's in 3D, so the ears
