

According to Variety, Juliana Harkavy (The Walking Dead, Constantine, Dolphin Tale) has joined the cast of Arrow, and will make her debut during the back half of the current fifth season. Harkavy will play a detective named Tina Boland, who doesn't appear to be an established DC Comics character (I may be wrong about that, so please feel free to set me straight). Though it doesn't seem like she'll be a villain, from the sounds of this character description she will most certainly be a thorn in Oliver Queen's side. "A detective formerly of Central City, Boland is brash yet tactful, tough, speaks her mind, and is not the easiest person to impress. She also has a problem with vigilantes like Green Arrow (Stephen Amell) and his new team of recruits: Wild Dog (Rick Gonzalez), Artemis (Madison McLaughlin), Curtis Holt (Echo Kellum), and Ragman (Joe Dinicol). Arrow returns tomorrow night with "The Human Target."
