

Well, I don't think any of us saw this coming! On the same day that the Government of Alberta classified the upcoming Skyfall teaser trailer (which will be attached to Men in Black 3 on May 25th) they have also classified a FOURTH trailer for The Amazing Spider-Man. It's worth noting that it's a different length to the one released earlier this month and unless it's just a slightly different cut of the trailer attached to Marvel's The Avengers, it would appear that Sony Pictures will attempt to boost the box office of Men in Black 3 by attaching a brand new trailer for their other big 2012 release. STARRING: Andrew Garfield as Peter Parker/Spider-Man Emma Stone as Gwen Stacy Rhys Ifans as Curt Connors/The Lizard Martin Sheen as Uncle Ben Sally Fields as Aunt May Denis Leary as George Stacy RELEASE DATE: July 3rd, 2012.
