

We already knew that Marvel Studios and Warner Bros. were scaling back on the big movie presentations, but I'm pretty sure that the majority of us were still hoping for a surprise of some sort. A last minute panel for The Avengers? An early look at The Dark Knight Rises or Man of Steel perhaps? Nope! While there are a fair few decent panels, and plenty on offer for TV fans, the usually awesome last Sunday of the event looks set to be a quiet news day here on CBM!

SUNDAY, JULY 24 10:00-11:00 Archaia Entertainment and The Jim Henson Company: The Early Works of Jim Henson Screening with Special Tale of Sand Discussion Jim Henson was a creative genius responsible for some of the most iconic properties today, including The Muppets, Fraggle Rock, and The Dark Crystal. But what was he like leading up to that success? Archaia and The Jim Henson Company
