

Thanks to Collider, we have some new images from LEGO's upcoming Lord Of The Rings line, set to hit stores this Summer. The first picture is a promo poster giving a good look at the Brick version of Gollum, while the other two feature all the primary characters that will be included in the sets. LEGO is releasing Uruk-hai, Ringwraith, Moria Orc, and Mordor Orc characters, in addition to all the characters from the Fellowship. Check them out below...
