

The first trailer for Marvel Studios' much anticipated threequel Iron Man 3 will finally be released next Tuesday, and a "special sneak peek" will be unveiled on the official Iron Man Facebook page soon (the arc reactor on the page is currently at 32%; click [HERE](#) to "like" the page). Now, after recently releasing the plot summary for Marvel's other 2013 film, Thor: The Dark World, Walt Disney Pictures have debuted the first full plot summary for Iron Man 3 (via Stitch Kingdom). The synopsis teases Tony Stark's quest to find those who destroyed his personal world, as well as fighting back after being "left to survive" and "an enemy whose reach knows no bounds". Be sure to check back to CBM next week for the Iron Man 3 trailer and poster.
