

In just a little over a month, we'll be apparated right back into the magical Wizarding World of Harry Potter with a whole new batch of characters, led by Academy Award-winner Eddie Redmayne as magizoologist Newt Scamander, in J.K. Rowling's Fantastic Beasts and Where to Find Them. Earlier this afternoon, Warner Bros. Pictures & WaterTower Music officially revealed the track list for James Newton Howard's upcoming Original Motion Picture Soundtrack for Fantastic Beasts and Where to Find Them. Howard's previous work includes The Hunger Games, King Kong, Maleficent, The Sixth Sense, Signs, & The Fugitive. There's no release date just yet, but it's expected to become available sometime next month in various formats, likely right around the film's release date. Check out the full track list below, and beware of any potential *SPOILERS*
