

As the hours roll by, a new Justice League pic/teaser seems more and more unlikely - but thanks to Gal Gadot we do have this new behind-the-scenes snap from the set of Batman V Superman: Dawn of Justice to tide us over. Sure, the extended edition of the film has been out a while at this stage, but if Gadot can participate in #TBT (throwback Thursday), then we can too! The shot comes from Wonder Woman's climactic battle with Doomsday, seemingly right before the Amazonian princess slices his arm off. Batman V Superman: Dawn of Justice is available on DVD and Blu-ray now.
