

Thanks to Batman-News, we have a new look at Gal Gadot in next year's Wonder Woman. As you can see, she's striking an iconic - yet familiar - pose as the Amazon warrior, and it was on display in order to give fans the chance to pose alongside the hero. Who wouldn't want the opportunity to do that? &quot;Before she was Wonder Woman, she was Diana, princess of the Amazons, trained to be an unconquerable warrior,&quot; a recently released synopsis for the movie teased. &quot;Raised on a sheltered island paradise, when an American pilot crashes on their shores and tells of a massive conflict raging in the outside world, Diana leaves her home, convinced she can stop the threat. Fighting alongside man in a war to end all wars, Diana will discover her full powers...and her true destiny.&quot; Wonder Woman also stars Chris Pine, Robin Wright, Danny Huston, David Thewlis, Ewen Bremner, Saïd Taghmaoui, and Lucy Davis. Directed by Patty Jenkins, the movie will
