

David Benioff and D.B. Weiss speak at length about Game Of Thrones to The Daily Beats. But one excerpt caught my eye as the duo reveal more about the (potential) second season of the show. Yes, there is always the chance that this will go the way of so many other great HBO tv series(Deadwood, Carnivale), but given the huge praise heaped on the show's pilot by those lucky enough to see a special preview, and the very positive fan reaction so far, it seems likely that a second season(at least) will happen. But what will make it from the books and what wont? Well, it seems like many of the fan favorite characters will get a look in if Weiss and Benioff have anything to do with it.. Usually, if you're lucky enough to get a second season, you've already got your cast in place," said Benioff. "With this season, it's
