

Promotion for the second season of Game Of Thrones kicked off last week with a great behind the scenes vid. We know how slowly HBO like to tease this series so although a proper trailer should be with us before too long, don't hold your breath! Until then here are some lovely set pics from the Iceland shoot. As we know at the end of season 1 Jon Snow and his wolf Ghost joined the rest of the Nightswatch as they went beyond the Wall to find out exactly what is going on with the mysterious White Walkers. Here it seems Snow is in tracking mode as he scours the ice for any signs of the creatures and his lost Uncle Benjen.. By
