

We'll not an actual mythological giant but at 6'-3", Gwendoline Christie is probably going to have a hard time finding a date to the Sadie Hawkins Dance. Still, it's not all bad being that tall. She perfectly fits the physical description of Brienne Tarth, a key character in Season 2 of Game of Thrones. For those of you that haven't read the books, here's a description: Brienne Tarth is the only daughter and heiress of Lord Selwyn Tarth of Evenfall Hall; she had three siblings, none of which survived childhood. Larger and stronger than most men, Brienne is a skilled warrior and longs to be a knight. She has an awkward personality, but is also honest and stubborn. She holds a naïvely idealized notion of knighthood despite the insults she receives from many knights, who call her "Brienne the Beauty" to mock her ugliness. She is also known as
