

"It's been seven years, maybe more since we did the first one. You miss the people, there's a loyalty to Chris and there's a lot of people that work with him all the time," he told Digital Spy in the video interview below. "Actors do come and go, but apart from the mainstays of Michael [Caine], Morgan [Freeman] and Christian [Bale] the crew is the same, from the caterers to the camera operator." "It's like reuniting with a family, that was sad, I miss that. We will go out with a bang, I'm sworn to secrecy but it's a great story. An epic conclusion." While everyone involved with the movie has so far promised that The Dark Knight Rises will end in an "epic" fashion, the question now is whether or not it will indeed live up to the high fan expectations. Judging by the recently released trailer, it's fair to say
