

In an interview with Crave Online Gary mentions the possibility of a Batman four and five. This seems a bit strange since a lot of the speculation is that Nolan could kill off Batman by the end of the third movie. I stress that is just speculation, but either way Nolan has always said this third movie would wrap up his franchise quite neatly. The comments from Gary Oldman seem to contradict that. Guess we'll just have to wait for the movie to come out and see if there is still hope for more Batman in the Nolanverse. Does 'The Dark Knight Rises' feel like an ending, doing the last entry of this incarnation of Batman? Yeah, yeah. For us I think it's the end. Whether they will make more, my guess is probably. I mean, they don't have Potter anymore. So, there could be a Batman 4 a 5. It may
