

DC's The Source blog confirms that Geoff Johns (DC Entertainment's Chief Creative Officer and writer of Justice League, Green Lantern and Aquaman) will pen the seventh episode of Arrow, titled "Muse on Fire". He's been involved with the series since day one and he will write the episode alongside executive producers Marc Guggenheim and Andrew Kreisberg. "I'm thrilled to be writing this episode of ARROW, and while I can't give too much away, I think comic fans are going to like what we have in store for them – keep an eye out for the Huntress," teased Johns. Below is a Tweet from the writer confirming that filming is now taking place. Arrow will premiere on the CW on October 10th. The first episode of ARROW I wrote with @mguggenheim & @ajkreisberg starts shooting today – keep an eye out for the Huntress this fall!— Geoff Johns (@geoffjohns) September 14, 2012
