

When Tomar-Re was announced for the Green Lantern film a lot of people wanted to know who would portray Hal Jordan's sector neighbor of 2813. The answer was season actor Geoffery Rush who was a big Superman as and admits he didn't know that much about Green Lantern, but asked to be sent some art work and the script to give it a chance. Surprisingly it was Tomar-Re's body shape that sealed the deal for Rush. "I voiced an owl in Legends of the Guardians and I did a pelican in Finding Nemo, I think it's time to add half fish, half lizard, to put that arrow in my quiver." "Having voiced cartoon/animated stuff before, you know that you're in good hands. I was always blown away that Albert Brooks and Ellen DeGeneres met at the premiere [of Finding Nemo]. It sounds like they improvised off each other, riffing, but, you know, the
