

While speaking with Total Film about his new movie The Ides Of March, George Clooney answered some questions about the failure that was Batman and Robin. Clooney stated that its easy to say that it was a shit movie and even says that he was really bad in it. He did say, however, that he feel Batman is still the biggest break he ever had and that it completely changed his career. Said Clooney: "It was a difficult film to be good in. With hindsight it's easy to look back at this and go 'Woah, that was really shit and I was really bad in it.'" "The truth is, my phone rang, and the head of Warner Bros said 'Come into my office, you are going to play Batman in a Batman film' and I said 'Yeah!' I called my friends and they screamed and I screamed and we couldn't believe it! I just
