

Director Shane Black has released the first official image from his Predator movie, as production kicks off on the sci-fi action flick today. The pic feature principal cast members Trevante Rhodes, Boyd Holbrook, Olivia Munn, Keegan-Michael Key, Sterling K. Brown and Jacob Tremblay, as well as Black himself. As you can see the ensemble is fully kitted-out and ready to kick some alien ass. In addition, Black confirmed that this would be a full-blooded, R-rated sequel via a Tweet which you can also check out below. And, just to be clear... PG-13 is for pussies. Spines bleed... a lot. — Shane Black (@BonafideBlack) February 18, 2017 The Predator is scheduled to hit theaters on Feb. 9, 2018.
