

Doctor Strange is holding strong with critics so far, currently maintaining a 98% fresh rating on Rotten Tomatoes! There's still just over a week until the film releases, and Marvel has released a new batch of TV spots if you need to tide yourself over while you wait! Doctor Strange releases November 4th. Be sure to check out a few of CBM's official reviews! From Marvel comes DOCTOR STRANGE, the story of world-famous neurosurgeon Dr. Stephen Strange whose life changes forever after a horrific car accident robs him of the use of his hands. When traditional medicine fails him, he is forced to look for healing, and hope, in an unlikely place – a mysterious enclave known as Kamar-Taj. He quickly learns that this is not just a center for healing but also the front line of a battle against unseen dark forces bent on destroying our reality. Before long Strange – armed with newly acquired magical powers – is forced to choose
