

Singer Nikki Leonti will be performing a song for the G.I. Joe: Retaliation movie. The only question is, is it for the soundtrack or for an actual scene in the movie. According to a recent update, several dancers have been hired so it could be that we have a scene in the movie that takes place in a club, dance hall, etc... Here is the tweet from Nikki. I leave for New Orleans tomorrow to perform a song in the Gi-joe 2 movie! Costumes are ready! Bags are packed :) We also have word that Snake Eyes favorite pet, could be making an appearance in the film. According to a recent tweet by Snake Eyes himself (Ray Park), Timber will in fact be in the movie. Taking a look at the tweet, Park drops several wink, wink, nod, nods that indicates the wolf will be seen in the
