

Hot off the heels of the announcement that Bruce Willis will be joining the cast of Jon Chu's *GI Joe: Retaliation* we have the following details from io9. Apparently all of this info comes from a recent casting call but some sounds like speculation to me. Anyway, here is what they say.. Several new Joes, including Walker, Brock and Robyn. Walker is the wise-cracker of the bunch, who's always making jokes about other guys' moms. Robyn is a gun-loving weapons expert, who talks lovingly about her latest ultra-high-tech rifle. (Which prompts Walker to say that he loves "girls with guns.") Brock is from the 'hood and he listens to a lot of Cypress Hill on his boombox while looking at pictures of his eight-year-old twin girls. (When he takes the picture out of a Ziploc bag, Walker hopes he's bringing out some of his famous pistachio cheese balls.) At one point, when Robyn,
