

Noah Hawley takes you inside season 1 of FX's Legion, revealing that David Haller has been inside a psychiatric institute for five years. Titular lead actor Dan Stevens adds that Haller is an "omega-level mutant" who never knew he was a mutant but is starting to put puzzle pieces together. The eight-episode first season of Legion premieres on Wednesday, February 8 at 10/9c on FX. The series had its premiere at West Hollywood's Pacific Design Center on Thursday evening. Fans should expect the first reviews to appear online in the coming weeks.

ABOUT LEGION Legion, based on the Marvel Comics, follows the story of David Haller – a troubled young man who may be more than human. Diagnosed as schizophrenic, David has been in and out of psychiatric wards for years. But after a strange encounter with a fellow patient, he's confronted with the possibility that he is a mutant with inexplicable powers. Produced by FX Productions and Marvel Television.
