"I am attached and we are just starting the process," Edwards offers on the subject of Godzilla, to which the piece raises the question of whether or not the Big G will do battle against Mothra or perhaps another giant monster. "Everyone involved knows what the film has to be. What's important to me is that, as well as spectacle, you have to give a shit about what's happening and why." To learn much more about Edwards, please follow the link and check out the full interview.
