

The first of these animated short from Marvel and Funko focused on Spider-Man and Iron Man teaming up against Loki, and now IGN has debuted a brand new one featuring characters we recently caught up with in the Guardians of The Galaxy Vol. 2 trailer. In it, Rocket Raccoon attempts to rescue Baby Groot from The Collector's sinister menagerie of aliens. This should delight Funko Pop! fans, but even if you have no interest, it's still a very fun few minutes. It's also been announced that the third animated short, "Chimichangas," will premiere on 12/14 on Marvel's YouTube channel and features Deadpool facing off against Venom.
