

Yesterday, we saw a new full-length trailer for Andrew Stanton's film John Carter, a science fiction epic based on the classic novels by Edgar Rice Burroughs. We finally got a look at characters like Matai Shang, Kantos Kan, Sab Than and Tardos Mors. Now, the official website has been updated with a great new motion wallpaper, featuring John Carter versus White Apes, as well as some promo photos. Check it out below! [Via Kino Gallery](#). Along Taylor Kitsch, Lynn Collins and Willem Dafoe, the rest of the cast includes Mark Strong, Bryan Cranston, James Purefoy, Dominic West, Thomas Haden Church and Ciarán Hinds. John Carter is set to hit theatres on March 9, 2012!
