

"Tell your friends there's a hunter on the streets. This is my town now, and creeps like you are an endangered species." --GREEN ARROW Know Your CBM Character - BLACK WIDOW. Who she is? What are her powers and abilities? Who played her in live media. --> Who is GREEN ARROW? Oliver Queen is GREEN ARROW. Former Billionaire Playboy. Former Star City Mayor. Lover of Black Canary. Mentor to many other superhero archers. Fighter for the "little guy". Deadly accurate with a bow and arrow. A hunter. A modern day "Robin Hood". GREEN ARROW is a DC Comics character created by Mort Weisinger and George Papp, he first appeared in More Fun Comics #73 in November 1941. Originally developed as an archery-themed analogue of the very popular Batman character, writers at DC have developed GREEN ARROW into a voice of left-wing and progressive politics very
