

As the home planet of the Green Lantern Corps faces a battle with an ancient enemy, Hal Jordan prepares new recruit Arisia for the coming conflict by relating stories of the first Green Lantern and several of Hal's comrades. Stars: Nathan Fillion, Jason Isaacs and Elisabeth Moss LEEE777 - Released June 7, order your copy now and its weird Nathan Fillion playing Hal Jordan in this but not the big budget film. Still theres always a young Alan Scott or something and I'm sure Ryan Reynolds will own the part.
