SCIFI MEDIA ZONE: How did Greg Berlanti, you and Michael Green come together to work on the script for Green Lantern? MARC GUGGENHEIM: Greg Berlanti wanted to do a Green Lantern movie, which, looking back on it, seems crazy that he even had that ambition, because at the time the three of us were working in TV. A lot of people had tried to adapt Green Lantern and failed, so there was no reason to think Warner Brothers would take us seriously. But Greg had a real vision for the way Green Lantern should be done as a movie; he'd always seen it as this sort of combination of Star Wars with superheroes. I vividly recall Greg and I casting the pilot for our show, Eli Stone, and on the flight back he said, "Listen, there's
