

From Newsarama Live Session With Green Lantern: - They just set up Green Lantern and Carol Ferris characters posters on the stage, which got big applause. Yay for posters! - Green Lantern movie logo just came on the screens. Even more applause! - Folks are carrying lots of brown boxes of stuff to the back of the room. Is there a giveaway at the end of the panel? (Probably). - Green Lantern (comic book) writer and DC Entertainment chief creative officer Geoff Johns just took the stage. - "It's not a trailer, the trailer will be out May 6 with Thor," Johns says of the footage about to be shown. He adds that it's not completely finished yet. - White text on black - "Sector 2814." - We've got Abin Sur and Sinestro. - Close-up on Abin Sur's ring. - Abin Sur gets critically attacked, and is now rocketing off in an escape
