

This past November Cartoon Network aired the first episode of Green Lantern The Animated Series, and a lot of fans have raised the question when would the series be making its return. According to Animation Magazine, Via The Blog of Oa, you can expect for Hal Jordan to continue his adventures this March. The season will consist of 26 episodes. They have also posted some new images of the series where it looks like The Star Sapphires will be included in the series as well.

Green Lantern The Animated Series stars Josh Keaton as Hal Jordan, Kevin Michael Richardson as Kilowog, Grey DeLisle as Aya, Tom Kenny as Zilius Zox and Jonathan Adams as Atrocitus, and will make its return this March on The Cartoon Network.
