You can see legendary visual effects artist Rick Baker working his magic, making sure each creature pops on screen. Rick has previously stated that he loved working on this film because of the time travel element. Because of he suggested making the aliens retro, 50's and 60's B-movie monsters. From the images below he absolutely nailed that look, and Jemaine Clement as the main villain looks amazing as well. **CLICK IMAGES TO ENLARGE** Click Here To View One More New MIB3 Photo at Stark Industries Men in Black 3 is directed by Barry Sonnenfeld, based on the Malibu Comic written by Lowell Cunningham.
