

There's no two ways about it; the first teaser trailer for Guardians of the Galaxy Vol. 2 was awesome. While it didn't reveal a great deal about the plot, it did blow us away with some incredible visuals and perhaps the cutest character ever seen in a superhero movie: Baby Groot. It should probably come as no surprise then that the trailer has been a hit, something director James Gunn celebrated today. The success of the first Guardians of the Galaxy took everyone by surprise back in 2014, so the fact that moviegoers and fans alike are excited about the sequel is to be expected. However, you have to believe that this is a strong sign that Vol. 2 will be a massive hit, and it earning \$1 billion at the box office wouldn't be remotely surprising. Time will tell, but check out Gunn's Facebook post in full below. Holy crap! With 81 million views in its first 24 hours, the Guardians of
