

It's been rumoured for a long time now that the Guardians of the Galaxy will appear in Avengers: Infinity War, but we've so far heard nothing official from Marvel Studios about that. However, following comments from Vin Diesel which pointed to Groot taking on The Hulk, now Zoe Saldana has confirmed that she's set to appear in the highly anticipated movie which should start shooting any day now. Revealing that she hasn't read the script, Saldana expresses her excitement to reprise the role in Avengers: Infinity War and also says that Guardians of the Galaxy Vol. 2 director James Gunn has shown her some completed scenes from that movie. Of course, with Infinity War and the sequel shooting back to back, it's possible she's going in for the second instalment rather than the first! We'll just have to wait and see, but you can check out the interview in full by watching the video below. oooooh Zoe Saldana has already seen a cut of
