

We've been coming up with an angle that is really strong. I am a fan of Peter David, Pak and Loeb but I like very much what individual writers and artists have done through the decades. I only gravitate to "monster" superheroes- (Blade, Hellboy, Deadman, Hulk-) because I have no interest on the straight ones -even when I've been offered the keys to the kingdom. - Guillermo del Toro Always nice a big time director like Gullermo reaching out to the fans. Hopefully in the future he'll drop in again and deliver some more information on the show. I'm looking forward to how they'll handle the Hulk. Will he be a large actor? Would they use camera tricks like Lord of the Rings to make one actor appear much large than another. Or will they go pure CG? Or will they go with a blend of CG and animatronics? MARVEL Television
