

Well, this was expected. With the ever-growing international market, Warner Bros. Pictures have decided to release the Guillermo del Toro-directed film Pacific Rim in both 3D and 2D theatres. This should play well in international markets where 3D is in high demand right now. It's a safe studio move, especially for a big budget epic like this one. Thanks to Borys Kit from The Hollywood Reporter for the info. This just in: Guillermo del Toro's PACIFIC RIM will get a 3D release.— Borys Kit (@Borys_Kit) September 12, 2012 Starring Charlie Hunnam (TV's "Sons of Anarchy"), Idris Elba ("Thor"), Rinko Kikuchi ("The Brothers Bloom"), Charlie Day ("Horrible Bosses"), and Ron Perlman (the "Hellboy" films), Pacific Rim will be released on July 12, 2013. When legions of monstrous creatures, known as Kaiju, started rising from the sea, a war began that would take millions of lives and consume humanity's resources for years
