

RESIDENT EVIL: RETRIBUTION I was watching The Big Bang Theory and they brought up a good point that could be associated with this movie. They were talking about zombies, and Raj asked the geeky group if zombies could starve to death. His conflict stems from the undead being, well already dead, so how could they die if they don't get their brain fix? I think that is a pretty dang good question. Your thoughts? In theaters September 14, 2012 from writer/director Paul W.S. Anderson. Also starring: Johann Urb, Colin Salmon, Shawn Roberts, Boris Kodjoe, Oded Fehr, Kevin Durand and Li Bingbing co-star.
