

What is it with people doing crazy things while dressed as Spider-Man? Earlier this week, we saw a guy in Poland harassing locals and spraying them with webbing, and now we've got someone braving the awful weather in parts of the US and facing off against Hurricane Irene! Of course, this is no joking matter, but there's no denying just how strange and somewhat humorous the following news report is! And if you're anywhere near these storms, stay safe! STARRING: Andrew Garfield as Peter Parker/Spider-Man Emma Stone as Gwen Stacy Rhys Ifans as Curt Connors/The Lizard Martin Sheen as Uncle Ben Sally Fields as Aunt May Denis Leary as George Stacy RELEASE DATE: July 3rd, 2012.
