

For those who don't know, Halo 4: Forward Unto Dawn is a 90-minute production (however, it will be released weekly in 15 minute videos) that will tie-in to this fall's release of Halo 4. Yes, Master Chief will appear in this series. Incase you missed it, you can click [HERE](#) to watch the first episode in it's entirety. Cadet Michael "Sully" Sullivan continues to decode the hidden ONI combat video as Lasky's struggle with his place in the UNSC ignites with fellow cadet Walter Vickers. After a classroom confrontation with Captain Mehafeey and a challenge from Chyler, Lasky pulls Hastati Squad back from the brink...at a terrible physical cost to himself.
