

What is the greatest movie crossover? Some may say Alien vs. Predator, some may say Freddy vs. Jason, but the truth of the matter is that King Kong vs. Godzilla stands above all cinematic crossovers. Some only know Kong from the Peter Jackson film of 2005, and some only know Godzilla as a giant iguana from the 1998 movie. Some don't even know this crossover exists! But that some is very few. King Kong vs. Godzilla may just be the most well-known Godzilla film in America, it still holds the record for highest grossing Godzilla film. (If we un-adjust inflation, Godzilla and Mothra: The Battle for Earth holds the record.) C'mon, it's Japan's premiere monster against America's premiere monster. (If only the Cloverfield monster could get a few more films.) Not everything was dandy though, this film does have some controversial origins. Originally this was going to be King Kong vs.
