

We had told you to expect this soon, but we didn't realize it'd be this soon! Not long after the official synopsis for Denis Villeneuve's Blade Runner 2049 was released, the first teaser trailer for the sci-fi sequel has debuted online. In it, we see Ryan Gosling's K making his way through a building that should be very familiar to fans of Ridley Scott's original, where he then encounters Rick Deckhard (Harrison Ford). Everything here from the imagery to the music evokes the iconic '80s classic - but will it be enough to quell the backlash from those that believe the movie shouldn't be touched? Have a look, and let us know what you think in the usual place.
