

Well, this is interesting. Joe and Anthony Russo took to Facebook earlier today to share a new photo from behind the scenes of Avengers: Infinity War, and who is that with them? Stranger Things star Millie Bobby Brown! Captioned "Guest director Millie Bobby Brown," the duo didn't confirm that she has a role in the movie, but why else would she be on set? Sure, maybe they just really love the Netflix series, but it's a bit odd that they'd invite the young actress to spend a day in Atlanta watching the action unfold for no particular reason. If we can assume she's going to make a cameo appearance, that leads us to wonder who as! No one instantly comes to mind and she's clearly not in costume here. Equally as interesting is that purple glow. Could this have something to do with Thanos? It seems likely, though bear in mind that one of the Infinity Stones is also that colour. What theories
