

Marvelous News have received a list of upcoming toys and action figures inspired by Marvel's highly-anticipated superhero team-up flick The Avengers. Produced by none other than Hasbro, although sans any photos, check below for the list, with a detailed description of each item provided below it's title. Additionally, I also stumbled across an ad (pictured right), depicting two Avengers characters, apparently available for pre-order. And coincidentally, the two characters, Hulk and Hawkeye, were the only products listed from Diamond Select. Check out that info & teaser also below via RimBreaks. A Diamond Select Release! Designed and Sculpted by Gentle Giant! The Avengers movie is almost upon us, and Diamond Select building up the team! Release Date: May 2012; List Price: \$21.99. First up is the newest recruit, and the world's greatest marksman, Hawkeye! Based on the likeness of actor Jeremy Renner, this 7-inch-scale Marvel Select figure comes with his trademark bow and
