

CBM is getting bigger and bigger as fans (not to mention those in the industry, hence why the likes of Clark Gregg and Mark Millar follow the site on Twitter) realise that we are the #1 destination for comic book movie news. The more "Likes" we get on Facebook, the bigger the audience for the site becomes. After all, if you "Like" a story posted to that page, your friends will see it and so on and so on. If you're a regular contributor to CBM, this also means YOUR stories will be seen by a larger group of people. Plus, if you're someone who's glued to Facebook day and night, this will mean you can get all the updates the moment they're posted. So, what are you waiting for? Just click on the image below and "Like" CBM on Facebook! Not a fan of Facebook? No problem! CBM is also on
