

Who is HAVOK? HAVOK is Alex Summers, usually known as Cyclops' younger brother, but HAVOK is turning out to be his own man, and moving farther away from his brother's shadow. He is a capable leader with powerful plasma blasts that when used, appropriates the name he bears. HAVOK is a mutant superhero in the Marvel Comics Universe. He first appeared in Uncanny X-Men #54 (March 1969), and was created by Arnold Drake, Don Heck and Neal Adams. HAVOK creates powerful "plasma blasts", an ability he has had difficulty controlling. He is the son of Corsair, the younger brother of the X-Men's Cyclops and older brother of Vulcan. He often resents Cyclops' authoritative attitude and reputation as a model X-Man. In contrast, HAVOK and his longtime love interest Polaris have had a love/hate relationship with the team, often finding themselves roped into it. **CHANGING LOOKS** First Appearance HAVOK's first costume was created by the
