

Photographer Deanna Tickle has snapped some shots of Henry Cavill filming at a Plano fire station and posted them on The Man Of Steel Facebook Page. The photographs while not significant do show that Cavill does not appear to be wearing the Clark Kent traditional glasses.

What do you guys think is Zack Snyder taking the Smallville route and not putting his teenage/young adult Clark Kent in his glasses? Do you approve of a young Clark not wearing glasses or do you feel he should be wearing them at all time? Sound off in the usual places below. Man Of Steel stars Henry Cavill, Amy Adams, Kevin Costner, Diane Lane, Michael Shannon, Antje Traue, Julia Ormond, Russell Crowe, Laurence Fishburne with Christopher Meloni, Harry Lennix, and will be released on June 14, 2013.
