

Over Christmas, Dwayne &quot;The Rock&quot; Johnson shared a very interesting image of both him and Batman v Superman: Dawn of Justice star Henry Cavill sharing a drink and seemingly plotting out the future of the DC Films Universe. It's been a while since we've heard anything about Shazam, while the Man of Steel sequel also seems to be on hold. It makes sense then that these two will end up meeting! Whether Superman will show up in Shazam or Black Adam will take the hero on elsewhere remains to be seen, but thanks to @Bosslogic, we now have a very good idea of what that clash will look like! Pitting The Rock against Superman is a guaranteed box office hit, and Warner Bros. need all the help they can get with the DC Films Universe right now, especially if Wonder Woman and Justice League don't live up to expectations. We'll have to wait and see anyway, but do you want to see them
