

Announcing their team-up with Marvel Studios late last year in anticipation for the summer release of The Avengers movie, HeroClix, one of the best-selling collectible miniatures game in the world, have revealed a preview for the upcoming set collection. Specifically spotlighting Marvel's God of Thunder "Thor," with the likes of actor Chris Hemsworth, check out the figure below as well specified game details! [CLICK IMAGE TO ENLARGE](#) Earlier last month, HeroClix revealed a figure for Captain America also from The Avengers set, although it was evidently from the Joe Johnston-directed Captain America: The First Avenger movie. This is because The Avengers movie set will additionally include figures from both Thor & Captain America movies. And sites that seem to think Red Skull will appear in The Avengers, sourcing HeroClix's package description fail to realize that. Anyhow, check out the Captain's WW2 figure below with the likes of actor Chris Evans.
