

For the people wondering if Liam Neeson was making his cameo in The Dark Knight Rises with the use of a flashback this toy might hold the key. This is a preview of the DC HeroClix: The Dark Knight Rises movie set figures, featuring Liam Neeson's character Henri Ducard, who would later take on the alias Ra's al Ghul. Today we continue our previews of the DC HeroClix: The Dark Knight Rises movie set as we visit with a man who helped create the Dark Knight. From the film Batman Begins, we are pleased to present Henri Ducard! **CLICK IMAGE TO ENLARGE** Also on these clicks, Henri Ducard has a defensive special power, Is Ra's al Ghul Immortal/, that says when Henri Ducard takes damage, stop turning his dial when this power is revealed. Henri Ducard can use Regeneration, but if he does not heal when he uses this power, deal
