

Will Smith and director Barry Sonnenfeld return to the kooky world of the top-secret government agents who protect our planet from hostile aliens in this third entry of the Men in Black film series. This will be the first film in the franchise to be presented in 3D. Flight of the Conchords' Jemaine Clement co-stars as the main baddie, Yaz. Many thanks to Bleeding Cool for the above posters. Men In Black 3D hits theaters May 25th, 2012.
